This publication is a chronological listing of major international and domestic events affecting Cuba during the period from January 1, 1975 to December 31, 1978. The events are arranged alphabetically by country. In addition, two general subject categories are included, the Nonaligned Movement and the Palestine Liberation Movement. The events included in this reference aid were selected for their individual significance; the publication is not intended to be a complete collection of every major Cuban event during this period.
